**Clubhouse Hours:
April - November
7:00 am - 10:00 pm**

The Sunrise Pointe Golf Course is a nine hole course, located on 40 acres of land. The course has been newly renovated and includes wider fairways, all new greens, and our new signature hole #6 which doglegs left along the natural wetland habitat opening to a big green protected on the front left by a pond.

The clubhouse features a lounge and sandwich shop, along with a pro shop. Club, golf cart, and pull cart rentals are also available. Also a hall is available for rental for wedding receptions, meetings, etc.

Storm Lake is proud to offer this fine facility for the enjoyment of the golfing public.

The golf course is closed from Oct. 31st to approximately April 1st. The clubhouse hall is available for rent all year round.

Tee Times

For the first time you'll be able to sign up in advance for a tee time. This is NOT a mandatory requirement but rather an option for individuals and groups who want to ensure that they will be able to get a round in at the time they desire. We hope everyone will enjoy the convenience of being able to plan their round of golf.

Tee times will be available in regular time intervals (every 10 minutes). You will be able to reserve your tee times on the internet or by calling the clubhouse. There is no cost for this service. More information on the tee time system will be available as the golf season gets closer.

Beverage Cart

We are also planning to have a beverage cart on the course during tournaments and league nights this year. We plan to have a selection of favorite beverages and some light snacks on the cart during these events.
