

Membership Incentive May-June 2010

To: All Members across the state.

Brothers, time is quickly passing us by. We have just over a month to hit the Prestige's "Circle of Honor". Can we do it? Yes we can if we all pull together and make it happen! Please see enclosed incentives for the Month of May and June for all Recruiters:

How do you qualify? Simple! Recruit a new member in May and June and have him take the first degree and you qualify. How many times can your name go in the hat! As many new members that you bring in from now until then end of June 30 that's how many chances you have.

Financial Secretaries all you have to do is provide me with the names of the recruiters each time they bring in a new member between May 1 and June 30 2010. Form 100 's must be recorded at Supreme by June 30. To help you out with this you may first fax the forms in then send in the original. Fax Number at Supreme 1 203 752 4113.

Financial Secretaries: What I need is the following information:

Name and Member # of Recruiter: _____
Council # Recruiter belongs to: _____
of new Members brought in by June 30, 2010 _____

Thanks and let's make it happen!
