

**RESOLUTION NO. 8**  
**NOTIFICATION OF CHANGE IN INSURANCE AGENTS**

WHEREAS, the General Agents and Field Agents of the Knights of Columbus generally provide excellent service to members of the Knights of Columbus; and

WHEREAS, occasionally changes in assigned area and in personnel require the reassignment of or replacement of an agent; and

WHEREAS, the change in assigned area or personnel may lead to confusion and delay in service to members who have questions concerning insurance or who need to contact their local agent.

**NOW, THEREFORE, BE IT RESOLVED**, that upon any change in assigned area or in personnel for an area, the General Agent for that area shall notify the State Deputy, District Deputies, Grand Knights and Financial Secretaries for that area of the change as soon as possible, so that the members of that area can be informed and so that excellent service can continue to be provided to the members of the area.
