

PERPETUAL MEMORIAL SOCIETY

OF THE

IOWA KNIGHTS OF COLUMBUS

1990 - 1999

PERPETUAL MEMORIAL SOCIETY

of the

IOWA KNIGHTS OF COLUMBUS

HISTORY

The history of the Perpetual Memorial Society began at a meeting of the Executive Committee prior to the State Convention in 1990. After a discussion by the members they voted to bring the idea before the delegates of the convention. After serious discussion, it was approved. Details of how it was to be administered where worked out and we began enrolling our friends and loved ones who have passed on to their eternal award.

At that time the donations were deposited in a bank account, administered by the State Secretary. This continued until 1994 when the "Christopher Fund" was discussed by the Executive Committee, approved, and taken before the delegates of the State Convention. Again, after serious debate it was approved to invest this money in the "Christopher Fund." Only the State Council, which is made up of the State Officers and Delegates of the State Convention, can change our participation in the fund. No individual or group of individuals, other than the State Council, can change where the income is to be given. It must always be given a religious or charitable organization. It was voted at the 1994 that the earnings should be annually divided among the ordinaries of the four dioceses in Iowa to be used solely for promotion of religious vocations. So far we have donated \$6,995 for that purpose.

The "Christopher Fund" is a fund at our home office in New Haven, Connecticut. Our home office matches whatever money we send to them so in reality we receive double interest. If we were ever to draw our money out of that fund we would only receive what we had contributed.

The Society gives all of us the opportunity to remember and pray for our friends and loved ones for all posterity as well as supporting Religious Vocations. Anyone is welcome to enroll whomever they choose in the Society.

The donors and their loved ones are also listed in a book, which will be present at every Mass offered at a State Knights of Columbus functions. A copy is also sent to the State Archives in Iowa City. The next of kin will receive a letter of condolence from the State Perpetual Memorial Society Chairman if requested. The donor is sent an e-mail or letter of appreciation, if desired, for using our Perpetual Memorial Society as a way of remembering and praying for their loved ones for eternity.

This book is donated by Russell J. & Cleve I. Hensing and dedicated to John R. Plunkett, Past State Deputy and Former Supreme Director, for giving me the opportunity of being a member of the State Family.
